**TRANSMITTAL OF REVISED DRAFT INTERIM MEASURE/INTERIM RESPONSE ACTION  
DECISION DOCUMENT FOR OPERABLE UNIT SEVEN - DES-011-96**

Twenty copies of the revised Interim Measure/Interim Response Action Decision Document are attached. Two copies are for Kaiser-Hill and the remaining copies are for the Department of Energy-Rocky Flats Field Office. Nine copies are for subsequent transmittal to the Environmental Protection Agency (2) the Colorado Department of Public Health and Environment (2) and the Trustees (5).

As agreed in the January 18, 1996 Agency interface meeting, the revised document is due to the Environmental Protection Agency and the Colorado Department of Public Health and Environment on March 8, 1996. At the interface meeting, the agencies requested another review period because of the extensive revisions projected for the document.

We recommend receipt of comments from DOE, CDPHE and EPA no later than April 1, 1996 in order to achieve the scheduled scope for this project.

If you have questions concerning this transmittal, please contact Laurie Peterson-Wright, of my staff, at extension 8553.
